

Statement confirming my identity for the issuance of a second digital signature certificate via my first active et valid certificate.

1. CONTEXT & CONDITIONS

In compliance with [Notarius CA Policy](#), the initial application for keys and certificates always requires an identity verification of the applicant via videoconference or in person.

Where technological resources permit and in compliance with ETSI EN 319 411-1, verification of the identity of the holders for the issuance of an additional digital signature certificate can also be completed by means of their first certificate, issued in accordance with the initial identity verification process explained above.

The last identity verification session must have been completed within the past twenty-four (24) months.

2. DECLARATIONS OF THE HOLDER

I am the holder of a digital signature certificate issued by Notarius following a rigorous process of verification of my identity carried out less than 24 months ago.

The digital signature certificate with which I sign this Statement is active and valid.

*My current subscription is paid & I am still a Member in good standing of my Association that authorized the issuance of my first digital signature certificate **OR** I am still working for the employer who confirmed the employment relationship of this certificate with whom I will be signing this Statement.*

I confirm that my personals information's are always the same.

(As it appears on my government-issued IDs)

I acknowledge that any false declaration will result in the refusal of my application and that I should make a formal appointment to have my identity verified by a Notarius AVI at their convenience.

If you do not meet all the requirements in Section 2, please contact our [Sales Team](#)

3. COMMITMENT OF THE HOLDER

I declare and acknowledge by my digital signature of this Statement, that the information's it contains are complete and accurate.

I authorize Notarius to keep this signed document in its restricted access folders, thus demonstrating compliance with its Certification Policy.
